Britannica ImageQuest (excellent for Middle School) and AP Images (excellent for Senior School) are two of our subscription databases containing millions of rights-cleared images, suitable for use in your classroom.

These images are able to be used for PowerPoint presentations, lesson plans, multimedia reports, student newspapers, flyers and school web sites, and can be accessed, along with all our other databases, from the Library eResources page. (Library Home> Assignment Help> eResources at BGS)
With 24/7 access, *Britannica ImageQuest* brings lesson plans, assignments, and projects to life with over three million images from 60 leading collections, including:

- Bridgeman Art Gallery,
- Getty Images,
- Ingram Publishing,
- Dorling Kindersley Images,
- National Geographic Society,
- Natural History Museum, plus
- a new CLIP ART gallery.

These trusted image sources have joined with Britannica to provide the best and broadest offering of curriculum-relevant imagery and clip art materials (infographics, signs and symbols, educational illustrations, flags, and conceptual illustrations), all rights-cleared for educational, non-commercial use.

For Teachers

- Create exciting and visually engaging lessons with appropriate images that are quick and easy to find for all topics.
- Results can be filtered ‘By Shape’, ‘By Collection’, and by using the newly added ‘ONLY CLIP ART’ feature.
- Confidently scale images for whiteboards to deliver high-impact lessons.
- Enhance all school communications, including e-mail, web sites, blogs, social media, and printed materials.

For Students

- Enable your students to create high-quality projects.
- Integration with Britannica School offers a streamlined ability to explore millions of related images right from the search results page.
- Encourage the use of citations in all aspects of student research with the help of clear copyright and source information.
- Automatically log in to your individual ‘My Images’ account.
- Images can be downloaded to your computer desktop or Google drive, shared, or printed.
**AP Images Collection** is one of the world’s largest and most comprehensive collections of photography, video and graphics which captures the greatest events in history and brings them to life with photographs, audio sound bites, graphics and text.

This collection is a primary source database from the Associated Press, one of the oldest and largest news organizations in the world. Winning 31 photo Pulitzer Prizes to date, the AP has long been recognized for its news coverage and ground-breaking photography. With coverage spanning more than 185 years and more than 3,500 photos added daily, this comprehensive collection grants access to images that have contributed to the organization’s unrivalled legacy.

Accessible through a variety of searches – from keyword and category to colour and concept searching – imagery in this collection is readily available whenever you need it and can be used to enhance research reports, theses, PowerPoint presentations and more.

**Content Includes:**

- More than 12 million photographs dating back to 1826
- More than 36,000 audio sound bites
- More than 340,000 professionally-produced graphics
- Graphics include:
  - Maps
  - Graphs
  - Charts
  - Logos
  - Flags
  - Illustrations
  - Photos
This database is accessible from our eResources page. At the end of this month, it will also be integrated into our EBSCO Discovery Search platform, MySearch, to improve accessibility to its vast collections.
